Specification

Available currency	Currency, bill
The way of banknote strapping	Turbo Boost Pressure binding, 5-points sticking, no need preheat
Strapping speed	Less than bundle/ 15sec
Minimum strapping range	110×52×80 mm (L×W×H)
Maximum strapping range	180×80×210 mm (L×W×H)
Strapping pressure	500-1500kgs (adjustable)
Specification of strapping belt	Standard plastic strapping belt. 6-14mm (W), (can be tailor-made)
Rated voltage	220V(±10%) or as required
Frequency	50Hz(±5%)
Power	≤150 W
Appearance dimension	490x570x1150(mm)
Weight	130kgs

Patent product

Full automatic

Safety & Eco-friendly

Automatically adjust

Energy saving

High-speed strapping
